

Wine for us

Share a Glass, Save a Life!

Join us at the annual Wine For Us wine-tasting fundraiser to raise awareness and support for the work of development and progress through water, sanitation and health in developing countries. From wine... to water!

Come spend a fun evening with fine wines, delicious hors d'oeuvres and good company. Wine-pairings with Artisan wines will complement an assortment of hors d'oeuvres specially picked for the occasion. Special displays will present the work and impact of Water For People while participants mingle and explore the lovely Regional History Center.

Join Mayor Buddy Dyer of Orlando to raise awareness about the importance of water, sanitation and health education, locally as well as globally. Learn about the impact that the basic water/sanitation infrastructure has on the lives of women and children in developing countries.

Network with local business leaders, water professionals and elected officials.

When: Thursday, July 29, 2010 at 6 p.m.
